INTRO

Ravi is a passionate advocate for unlocking human potential through skill development and lifelong learning. As a seasoned professional and entrepreneur, he has spent over 25 years working to empower individuals and organizations to build the skills needed for success in the modern workforce. Their approach blends innovation, personal growth, and practical tools to create impactful learning experiences.

THEME OF THE TALK

In his talk, Ravi will explore how the future of work is evolving and why continuous skill development is no longer optional—it's a necessity. They will challenge the audience to rethink how they approach learning and equip themselves with the skills to thrive in an ever-changing world.

PROFESSIONAL EXPERIENCE

With 25 years of experience in the field of skill development, Ravi has helped thousands of individuals across industries enhance their personal and professional capabilities. He has worked with SKS Micro Finance, SPANDANA and BASIX as their NATIONAL HEAD for Talent Acquisition and Management to create tailored training programs designed to foster growth in areas like leadership, communication, and financial literacy.
